

[How To Install DLL Files Mac](#)

The screenshot shows the Speedy PC Pro software interface. At the top left, the logo "Speedy PC Pro" is displayed. At the top right, it says "Microsoft Partner" with "Gold Application Development" below it. There are links for "Settings", "About", and "Help". A sidebar on the left contains menu items: "Overview", "System Scan", "Restore", "Tools", and "Maintenance". A "Register" button is at the bottom left. A central notification box with a red "X" icon and the title "Attention Required!" contains the text: "Your system has 19 items that need to be repaired. Please click the Fix All button to start your repairs." Below this text is a green "Fix All" button and a blue "View Details" link. To the right of the notification, scan statistics are shown: "Last Scan: 02-05-2016", "Issues: 19", "Malware: 0", and "Items Fixed: 0". Below the notification is a "Scan Settings" section with five categories, each with a checked "Include in scan" option: "System Issues", "Privacy Protection", "Malware Protection", "Junk Files", and "System Performance". A green "Click to Start Scan" button with a right-pointing arrow is at the bottom right.
